North Carolina's  
**REAL ID**  
For information go to [NCREALID.GOV](http://NCREALID.GOV)

## DO YOU HAVE YOUR REAL ID?

*It's time to put this "to do" on your list*

The #NCDMV now offers REAL ID, a single form of identification that meets new federal ID requirements to travel on commercial airlines and enter military bases and federal facilities. Get more information about #NCREALID, including the list of required documents, at [NCREALID.gov](http://NCREALID.gov).

## OUR PASSENGERS ROCK!

*And we love to show our appreciation*

We know that the airport is often the start (or end) of your journey, and we are grateful that you choose to fly from your local airport. We want your experience with us to be exceptional, and that's why we've implemented a number of programs and amenities to enhance the time you spend at the airport. Check out our special programs below - we hope you enjoy them the next time you're with us.

### IT'S MY BIRTHDAY, I'LL FLY IF I WANT TO

Be sure to stop by our Guest Services desk in baggage claim when you are traveling on your birthday. We have a gift for you!

### ART IN THE AIRPORT

The curated exhibits in our art gallery feature originals by local artists. See something you can't live without? No problem. Most pieces

are for sale by the artists, and we can hold them for you until the show is over.

## MUSIC IN THE AIRPORT

Local pianists and guitarists volunteer their time to perform in our Grand Hall several times each week. Located near the TSA screening line, you may hear anything from classical to Bluegrass, or jazz to Indie folk. The music definitely brings a local flavor to this public space.

## AWARD-WINNING MUSIC ON THE FLY POP-UP CONCERTS

When the stage is set at the gate area, you know you're in for a treat! Monthly pop-up concerts by local musicians are offered in partnership with [Ashvegas.com](http://Ashvegas.com).

## PAWS FOR PASSENGERS

Our pet therapy teams are in the airport nearly every day, providing comfort, affection and smiles for our passengers. WLOS TV-13 recently produced a story about one of our special ambassadors!

WE CARE ABOUT OUR COMMUNITY

## *Airport Department of Public Safety gives back*

The airport's Department of Public Safety participated in two community events in April, continuing their commitment to provide public safety education and services in our region.

The team was proud to participate in the firetruck static display hosted by the Asheville Fire Department this month. They welcomed participants of all ages to learn about the special equipment used at airports for firefighting, and to interact with members of our team.

The public safety team also volunteered to provide a drop-off location at the airport as part of the Partnership for Substance Free Youth of Buncombe County's "Operation Medicine Drop" this month. Members of the community brought their unused and unwanted prescription medications to the airport's public safety department, where the items were prepared for safe disposal.
