

## AVL PASSENGER NUMBERS SHATTER PREVIOUS RECORD

*Record-breaking passenger counts in May*

The Asheville Regional Airport (AVL) has been one of the fastest growing airports in the country for 18 consecutive months — and the growth is continuing!

May numbers indicate the highest monthly passenger counts in the history of the airport. In total, AVL served 143,695 passengers in the month of May. First quarter passenger numbers were up 45 percent compared to last year, and May 2019 numbers were up 46 percent from May 2018.
