

PUBLIC NOTICE

AGENCY: Federal Aviation Administration, DOT

The Federal Aviation Administration (FAA) is reviewing a Draft Environmental Assessment (EA) for proposed development at the Asheville Regional Airport (AVL) in Asheville, NC. The proposed development features the expansion of the existing south apron, on airport property. The purpose of the EA is to address how the proposed action would potentially impact economic, social, and environmental resources. The Draft EA can be reviewed during regular business hours at the following locations:

FAA, Memphis Airports District Office, 2600 Thousand Oaks Boulevard, Suite 2250, Memphis, TN 38118; Hours: Monday through Friday, 8:00 AM to 3:30 PM (CT).

Greater Asheville Regional Airport Authority (Airport Terminal Building)
61 Terminal Drive, Suite 1
Fletcher, NC 28732

Pack Memorial Library
67 Haywood Street
Asheville, NC 28801

Members of the public may issue comments on the EA within 30 days of this notice, or request a public hearing within 15 days of this notice. Comments or request for hearing should be addressed to the following FAA representative or to the following airport consultant:

Koty Brown, PE, LEED AP
Program Manager & Environmental Protection Specialist
