AMENDED ORDINANCE NO. 201601-8

**AN ORDINANCE TO IMPLEMENT A SCHEDULE OF AIRLINE RATES, FEES AND CHARGES
FOR THE ASHEVILLE REGIONAL AIRPORT.**

IT IS HEREBY ENACTED AND ORDAINED BY THE GREATER ASHEVILLE REGIONAL AIRPORT AUTHORITY AS FOLLOWS:

Section 1. CITATION.

1.1 This Ordinance may be cited as the "**Airline Rates, Fees & Charges Ordinance**".

Section 2: FINDINGS.

2.1 The Greater Asheville Regional Airport Authority was created by Session Law 2012-121, which was ratified by the General Assembly of North Carolina on June 28, 2012.

2.2 Section 1.6(a)(7) of Session Law 2012-121 gives the Greater Asheville Regional Airport Authority the ability to, among other things: "*[m]ake all reasonable rules, regulations, and policies as it may from time to time deem to be necessary, beneficial or helpful for the proper maintenance, use, occupancy, operation, and/or control of any airport or airport facility owned, leased, subleased, or controlled by the Authority . . .*".

2.3 Section 1.6(a)(6) of Session Law 2012-121 gives the Greater Asheville Regional Airport Authority the authority to: "*[c]harge and collect fees, royalties, rents, and/or other charges, including fuel flowage fees for the use and/or occupancy of property owned, leased, subleased, or otherwise controlled and operated by the Authority or for services rendered in operation thereof.*".

2.4 Section 1.6(a)(21) of Session Law 2012-121 gives the Greater Asheville Regional Airport Authority the ability to: "*[e]xercise all powers conferred by Chapter 63 of the General Statutes [of the State of North Carolina] or any successor Chapter or law.*".

2.5 North Carolina General Statute Section 63-53(5) further gives the Greater Asheville Regional Airport Authority the authority: "*[t]o determine the charge or rental for the use of any properties under its control and the charges for any services or accommodations and the terms and conditions under which such properties may be used, provided that in all cases the public is not deprived of its rightful, equal, and uniform use of such property.*".

2.6 The Greater Asheville Regional Airport Authority is obligated under federal law to maintain an airport user fee and rental structure that, given the conditions of the Airport makes the Airport as financially self-sustaining as possible.

2.7 The Greater Asheville Regional Airport Authority is further obligated under federal law to establish an airport user fee structure that is fair and reasonable to all users, and not unjustly discriminatory.

2.8 In or around Fall 2014, the Greater Asheville Regional Airport Authority contracted with an airport consulting firm, who conducted a comprehensive airline rate and charge study at the Airport, in accordance with the methodology stated in the Rates and Charges Policy promulgated by the Office of the Secretary of the Department of Transportation and by the FAA.

2.9 Since approximately February 2015, the Greater Asheville Regional Airport Authority has consulted with and made repeated, good faith efforts to reach an agreement regarding rates, fees and charges with the Airlines, and to resolve all disputes asserted by the Airlines, and after adequate and timely consultation with the Airlines and with the airport consulting firm, Greater Asheville Regional Airport Authority now desires to implement, by ordinance, the fair, reasonable and not unjustly discriminatory rates and charges structure as proposed by the airport consulting firm.

Once Airline is no longer Market Share Exempt, the Airline will be responsible for all Terminal and Airfield related rates, fees and charges.

5.35 "New Airline(s)" shall mean any new airline providing new commercial passenger or cargo service to and from the Airport, using the Airport Terminal Building or cargo building to enplane and deplane passengers or cargo service to and from the Airport.

Section 6. RATE MAKING METHODOLOGY

6.1 Rates and charges shall be established annually based on the methodology set by the Authority below and in the Schedule of Rates and Charges referenced in Section 8 below.

6.2 Rates and charges shall be developed under a commercial compensatory rate making methodology.

6.3 Rates and charges shall be calculated and set at the beginning of each Fiscal Year.

6.4 Terminal Building Operating Requirement.

6.4.1 For purposes of this Ordinance, the Terminal Building Cost Center shall consist of the current Terminal Building, including the ticketing wing, the Holdrooms, baggage claim facilities, baggage make-up facilities, and passenger loading bridges/regional boarding ramps, as well as the areas immediately adjacent to the west side of the terminal building utilized for baggage tug drives and baggage tug storage, and all public areas, concession areas, and other leasable areas.

6.4.2 The Terminal Building Operating Requirement shall be calculated as specified in Sections 6.4.2.1 through 6.4.2.4 below:

6.4.2.1 By summing the elements of the Airport Operating Requirement allocated to the Terminal Building Cost Center. Currently, this includes O&M Expenses, O&M Reserve Requirement, net Depreciation, Amortization, Capital Outlay, and Debt Service.

6.4.2.2 By then reducing the total from Section 6.4.2.1 by non-airline revenue credits applied by the Director. These revenue credits are reimbursements and offsets to base costs. This results in the Net Terminal Building Operating Requirement.

6.4.2.3 The Net Terminal Building Operating Requirement calculated in Section 6.4.2.2 is then divided by Rentable Space to obtain the Terminal Building Rental Rate.

6.4.2.4 Finally, each Airlines' share of cost is then derived by multiplying the Terminal Building Rental Rate by the Terminal Building Airlines' rented space (preferential use) and Airlines' share of Joint Use Space as determined by the Joint Use Formula.

6.4.3. Joint Use Space. Joint Use Space shall be classified as Baggage Make-Up, Baggage Claim and Gate Area. Airline's share of the Terminal Building Rentals for Baggage Make-Up and Baggage Claim Joint Use Space will be determined as follows: (1) eighty-five percent (85%) of the total rentals due shall be prorated among Airlines using Joint Use Space based upon Airline's share of Checked Bags, (2) fifteen percent (15%) of the total rentals due shall be prorated equally among the Airlines using Joint Use Space. Airline's share of the Terminal Building Rentals for Gate Area Joint Use Space will be determined as follows: (1) eighty-five percent (85%) of the total rentals due shall be prorated among Airlines using Joint Use Space based upon Airline's share of Enplaned Passengers, (2) fifteen percent (15%) of the total rentals due shall be prorated equally among the Airlines using Joint Use Space.

6.4.4 Per Turn Fee for Market Share Exempt Carriers. The Per Turn Fee for Market Share Exempt Carriers is calculated by dividing the Per Turn requirement by the total estimated departures.

6.5 Airfield Area Operating Requirement.

6.5.1 For purposes of this Ordinance, the Airfield Area Cost Center consists of those areas of land and Airport facilities which provide for the general support of air navigation, flight activity and other aviation requirements of the Airport. The airfield includes runways, taxiways, the terminal apron, aircraft service areas and those ramp areas not included in any other cost center, approach and clear zones, safety areas and infield areas, together with all associated landing navigational aids and Airport facilities, aviation controls, and other systems related to the airfield. It also includes areas of land acquired for buffer requirements for the landing areas of the Airport, all land acquired for Airport expansion until the land is used or dedicated to another cost center, and all Airport noise mitigation facilities or costs. The Airport's triturator facility, storage areas for airline glycol equipment and tanks, and any fueling facilities and equipment provided to serve the airlines on the terminal apron are also included in the airfield cost center.

6.5.2 The Airfield Area Operating Requirement shall be calculated as specified in Sections 6.5.2.1 through 6.5.2.4 below:

6.5.2.1 By summing the elements of the Airport Operating Requirement allocated to the Airfield Area Cost Center. Currently, this includes the O&M Expenses, O&M Reserve Requirement, net Depreciation, Amortization, Capital Outlay, and Debt Service.

6.5.2.2 By then reducing the total calculated in Section 6.5.2.1 above by non-airline revenue credits applied by the Director. These revenue credits are reimbursements and offsets to base costs. This results in the Net Airfield Area Operating Requirement.

6.5.2.3 The Net Airfield Area Operating Requirement calculated in Section 6.5.2.2

is then divided by the estimated Certified Maximum Gross Landed Weight (CMGLW) of all Airlines' Revenue Aircraft Arrivals to determine the Airlines' Landing Fee rate.

6.5.2.4 The Airlines' Landing Fee rate is then multiplied by the estimated CMGLW of the Airlines.

6.5.3 All costs incurred by the Authority for mitigation or damages resulting from noise, environmental incidents or conditions, aircraft fueling, or other Airport aircraft-related conditions or activities will also be charged and allocated to the Airfield Area Operating Requirement.

6.5.4 [RESERVED]

6.5.5 Affiliate. Each Affiliate's operations shall be counted and recorded jointly with Airline's and shall be at the same rate.

6.5.6 [RESERVED]

6.5.7 Other Cost Centers. All other cost centers are not included as part of the Airlines' rates, charges and fees. Authority may apply revenues from the other cost centers to offset expenses at a time, and in an amount, based on the sole discretion of the Director.

6.5.8 Unless otherwise provided herein, all rates, fees and charges are calculated as described in Schedule of Rates, Fees and Charges referenced in Section 8 below.

Section 7. RENTALS, FEES AND CHARGES

7.1 The Authority shall establish the Schedule of Rates, Fees and Charges at the beginning of each Fiscal Year.

7.4 Each Airline operating at the Airport shall be responsible for paying those rates and charges itemized below in the amounts specified in the Schedule of Rates, Fees and Charges in Section 8 below:

7.4.1 Preferential Use Space - Each Airline shall pay the Authority for its use of the assigned, Preferential Use Space in the Terminal.

7.4.2 Joint Use Space - Each Airline shall pay the Authority its share of rentals on Joint Use Space used by Airline in common with other airline tenants.

7.4.3 Landing Fees -For its use of the airfield, apron and appurtenant facilities, Airline

shall pay a landing fee for each and every aircraft landed by the Airline at the Airport except as otherwise noted herein.

7.4.4 Passenger Facility Charge. Airline shall comply with all of the applicable requirements contained in 14 CFR Part 158 and any amendments thereto. Airline shall pay the Authority the Passenger Facility Charge applicable to all of Airline's revenue passengers enplaning at the Airport imposed by the Authority from time to time pursuant to applicable Federal law and regulations.

7.4.5 Other Fees and Charges. Airline shall also pay all miscellaneous charges assessed to and owed by Airline to the Authority including, but not limited to, the cost of utilities and services, employee parking fees, telecommunications charges, paging system fees, triturator fees, skycap services, preconditioned air and fixed ground power fees, security measures, such as key cards and identification badges and the like, common use fees and common equipment charges, and law enforcement fees (net of TSA reimbursement).

7.4.5.1 Such other fees and charges shall be detailed by the Authority in the Schedule of Rates, Fees and Charges.

9.6 Security Deposit. If in the reasonable business discretion of the Authority, it is determined that the financial condition of Airline, at the beginning of air service at the Airport, or an incumbent Airline that has displayed an irregular payment history, then Airline may be required to submit a cash security deposit in an amount not to exceed the equivalent of six (6) months estimated rentals, fees and charges.

9.6.1 In the event that the Authority determines a security deposit is required, the Airline shall deposit such sum with the Authority within thirty (30) days of being so notified by the Authority, and such sum shall be retained by Authority as security for the faithful performance of Airline's obligation hereunder.

9.6.2 The Authority shall have the right, but not the obligation, to apply said security deposit to the payment of any sum due to Authority which has not been paid in accordance with this Ordinance, including, but not limited to, reimbursement of any expenses incurred by Authority in curing any default of Airline, or to the cost of restoring the Assigned Space or its furnishings, fixtures or equipment to their original condition, reasonable wear and tear excepted.
