## SPRING BREAK

*Start planning now!*

2026 is here and spring break is quickly approaching. Now is the time to start planning and booking your spring travel. Check out these travel planning tips and start getting ready for your springtime adventure:

🕒 **Start planning now.** Don't wait to start planning your trip. Spring break will be here before you know it and you don't want to end up scrambling to book a last-minute reservation. Start making a plan and check out [AVL's nonstop destinations](#) for some inspiration if you don't have a destination picked out yet.

📖 **Do your research.** Start learning about your destination before you get there. Read reviews and pay attention to what the locals recommend. If you are flying to AVL, check out [Explore Asheville](#) for all the information on local happenings around WNC.

👤 **Make sure you have REAL ID.** [REAL ID requirements](#) are in effect, and starting on February 1, [ConfirmID will be implemented](#). Now is the time to make sure you have a REAL ID compliant license or another acceptable form of ID (like a passport).

🚗 **Book everything ahead of time.** Booking for a trip doesn't stop with your flights and hotel! You should also consider booking your ground transportation ahead of time, or tickets for any tours and activities you are planning. Having everything planned and booked in advance will allow you to relax and enjoy the trip instead of having to make logistical decisions.

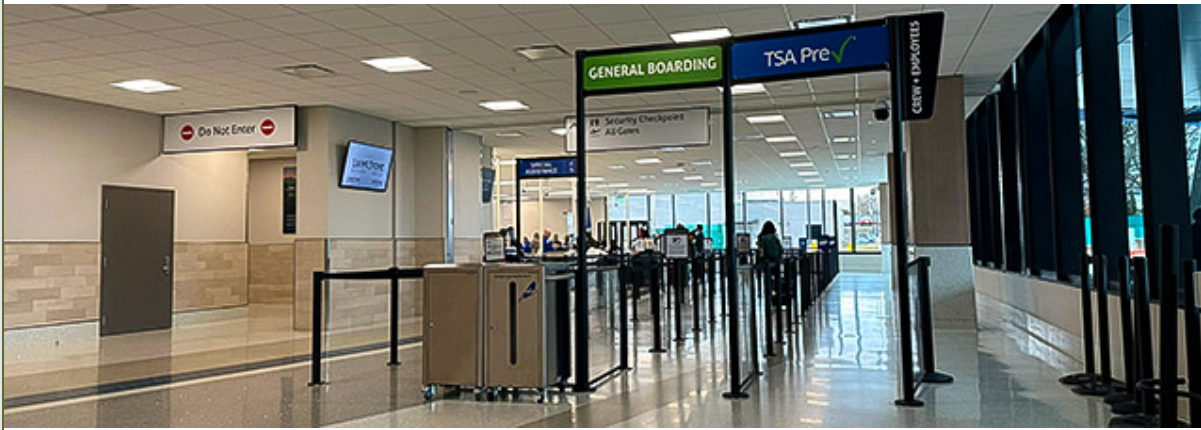

🧳 **Pack your bags early.** Give yourself plenty of time to get your things ready for your trip and avoid last-minute, unnecessary packing. Check out the [TSA's website](#) for a list of prohibited items and what can be packed in your carry on versus checked bags.

📱 **Download the apps.** Airline apps are an essential while traveling in order to get the latest updates about your flight. With an airline app, you can check in for your flight and get a digital boarding pass to save time. Be sure to bookmark AVL's website ([flyavl.com](https://flyavl.com)) for helpful information when flying through the airport!

Don't wait! Start planning and book your spring break travel today so that your trip is as smooth as a spring breeze.

## NO REAL ID? TSA OFFERING A NEW OPTION TO CONFIRM IDENTITY PRIOR TO FLYING

*Beginning on February 1*

Beginning on February 1, 2026, travelers who do not present a REAL ID or an acceptable form of ID (like a passport) will have the option to pay a \$45 fee to attempt to verify their identity through TSA's modernized alternative identity verification process, TSA ConfirmID. TSA urges travelers who are unable to obtain an acceptable form of ID before their travel date to pay the fee required to use TSA ConfirmID as early as possible before travel to prevent any delays.

[READ MORE](#)

### TSA ConfirmID

#### STEP 1

##### Check Your ID

Before heading to the airport for a flight on or after Feb 1, check that you have a REAL ID or other acceptable form of ID (check [tsa.gov/id](https://tsa.gov/id)), such as a passport. If you do, you're all set, safe travels! Don't? Go to Step 2.

#### STEP 2

##### Use TSA ConfirmID

If you don't have an acceptable ID, visit [tsa.gov/ConfirmID](https://tsa.gov/ConfirmID) to pay the \$45 fee before your trip. You'll receive a payment receipt by email from [pay.gov](https://pay.gov).

#### STEP 3

##### Bring your receipt

At the airport, show your [pay.gov](https://pay.gov) receipt (printed or screenshot) and any government-issued ID to the TSA officer and follow their instructions to complete the process.

# REAL QUESTIONS REAL ANSWERS AVL FORWARD

## WE'RE LISTENING

*And answering your questions*

**"Are you ever going to get jetways like other airports?" - Pete (Facebook)**

**"When will the jet bridges be installed and ready at AVL?" - Craig (Web Inquiry)**

**Actually, AVL does have boarding bridges – five of them, to be exact!** In Phase 1 of AVL Forward, the airport began welcoming passengers through the new North Concourse, which includes eight gates, five are equipped with passenger boarding bridges (jet bridges). Due to construction needs, the remaining three gates currently use ground boarding, allowing AVL to maintain as much air service as possible while construction continues.

AVL entered Phase 2 in October, which will bring several passenger experience improvement milestones including two new passenger boarding bridges in the Summer of 2027. And finally, once the project is complete, all gates will operate with passenger boarding bridges.

We thank our community for its patience and understanding as we move forward with the largest infrastructure investment in AVL's history. To learn more and track progress, visit [flyavl.com/AVLForward](https://flyavl.com/AVLForward).

## WINTER WEATHER AT AVL

*Ice, snow and freezing temperatures*

During the recent winter weather event, Asheville Regional Airport remained safe and operational thanks to the dedication and preparation of our staff. From continuous runway monitoring to airport roadway maintenance, these behind-the-scenes efforts help keep travelers safe and flights moving when conditions turn challenging.

Learn more about how AVL prepares for snow and cold weather, and the people who make it happen, in our blog article – click the button below.
