MORE PARKING, MORE OPTIONS, NEW TOOLS

AVL's newest improvements are designed to enhance your experience

Getting to and from Asheville Regional Airport is becoming even easier. As passenger demand continues to grow, AVL has been working to expand parking capacity while adding new digital tools that help travelers plan ahead and navigate the airport with confidence.

A major milestone came on July 23 with the opening of the new Sheetz location on airport property, located directly across from the AVL's main entrance. In addition to providing fuel, food, and convenience services, the project also created **200 new parking spaces in Shuttle Lot B.**

Even more parking is on the way:

- **Shuttle Lot C (Phase 1)** opens in the coming weeks with **more than 220 additional parking spaces.**
- **Shuttle Lot C (Phase 2)** opens in December, adding **530 more parking spaces.**
- Both shuttle lots feature **continuous shuttle service** from covered waiting areas directly to the terminal's front curb.

AVL has launched several new online tools to make travel planning even more convenient:

- **Track your parking shuttle in real time.** Passengers can track AVL Parking Shuttles through the [Passio GO!](#) app or any web browser. QR codes and instructions are posted at shuttle stops and throughout the airport.
- **Plan your parking before you arrive.** The updated parking feature on the [flyavl.com](#) homepage now provides important information for each of AVL's parking options, including pricing, walking times, lot capacity, EV charging availability, live shuttle tracking links, and quick access to maps.
- **Compare and book rental cars in one place.** The new "**Search All Car Rentals**" tool allows travelers to compare all rental car companies serving AVL with a single search. Visit the [flyavl.com/rentalcars](#) to explore.

Whether you're parking for a weekend getaway or picking up visiting friends and family, these new improvements make traveling through AVL more convenient. With more parking, smarter technology, and additional enhancements on the horizon, we're continuing to invest in a smoother experience from curb to gate.

Now that you know your options for getting to and from AVL, explore our Summer Travel Tips for everything you need to know before you head to the airport.

SUMMER TRAVEL TIPS

BREVARD MUSIC CENTER CELEBRATES 90TH ANNIVERSARY

Asheville Regional Airport is the Official Airport of the 2026 Season

Asheville Regional Airport is proud to be the Official Airport of the Brevard Music Center (BMC) as it celebrates its 90th anniversary summer season in 2026, marking nearly a century as one of the nation's leading training grounds for young musicians and an internationally recognized festival with over 80 concerts each summer spanning symphony, chamber, opera, jazz, and bluegrass.

Now heading into Season Finale weekend, BMC has welcomed over 1,000 students and renowned artists such as Garrick Ohlsson, Branford Marsalis, Camille Thomas, Sir Stephen Hough, Shannon Whitworth and Woody Platt, Nancy Zhou, The Buena Vista Orchestra, and Gil Shaham.

Season Finale weekend includes:

- Rachmaninoff's monumental 2nd Symphony — July 31
- Liszt's Piano Concerto No. 1 featuring Sophia Liu — August 1
- Sold-Out appearance by legendary cellist Yo-Yo Ma — August 2
- Béla Fleck's Blue Ridge Banjo Concert, sponsored by Asheville Regional Airport — August 15
- Fiddle Forward with Casey Driessen — August 22.

Tickets for the 2026 Summer Music Festival are still available!

RED, WHITE AND PAWS

AVL celebrates America's 250th

Travelers passing through Asheville Regional Airport on July 2 and 3 were greeted by a patriotic welcome during our Red, White, and Paws celebration.

Paws for Passengers therapy dog teams spent two days celebrating with travelers while dressed in festive red, white, and blue attire. Volunteers also staffed a themed "hot dog stand," handing out gummy hot dogs and other fun treats that added a lighthearted touch to the busy holiday travel week.

From wagging tails to friendly smiles, the celebration created memorable moments for passengers of all ages and showcased the welcoming spirit that makes the travel experience at AVL unique.
