

Notice of Intent to Dispose of Surplus Property

The Greater Asheville Regional Airport hereby notifies the public of its intent to dispose of certain items of surplus property that are considered obsolete, and/or of insignificant value to other governmental entities that may have a need, through direct or indirect donation. The items included in this donation include used/salvaged airfield light fixtures, transformers, signs, regulators, visual aids, and associated equipment, which has been permanently removed from service at the Asheville Regional Airport. Approval for the donation of this property shall be considered by the Greater Asheville Regional Airport Board at its December 11th, 2020 meeting to be held at Hilton, Biltmore Park, Mitchell Room A and B, 43 Town Square Blvd., Asheville, NC 28803. In compliance with the state-wide mandate for COVID 19, members of the public may attend the Authority Board meeting at 8:30 AM on Friday, December 11th, 2020 via Webex: 1-408-418-9388; meeting number (access code): 132 987 3951. This notice and action is taken in accordance with North Carolina General Statutes.
