

PUBLIC NOTICE

Asheville Regional Airport • Asheville, NC

AIRPORT MASTER PLAN UPDATE - PUBLIC OPEN HOUSE

The Greater Asheville Regional Airport Authority, as owner and operator of the Asheville Regional Airport, will be holding a public Open House on October 26, 2023 from 5:30 PM to 7:30 PM located in Room 346 at the Western Carolina University Biltmore Campus located at 28 Schenck Pkwy., Asheville, NC 28803.

The Open House will be an opportunity for the general public to learn about the airport's ongoing Master Plan Study and examine the alternatives being considered for future development of the airport. An opportunity will also be available for the public to provide comments concerning the project and the airport's future direction. There is no formal presentation planned; attendees will be able to view presentation materials at their own pace and ask questions of the Airport Authority staff and consultants.

Comments and suggestions received during the Open House are to be evaluated by the project team and incorporated into the study as appropriate. The proposed improvements are intended to achieve compliance with Federal Aviation Administration (FAA) regulations and to meet the existing and projected aviation needs of the region.
