

WE LOOK FORWARD TO WELCOMING YOU TO THE AIRPORT FOR THE RUNWAY 5K! Please read this important information about arrival & shuttle to event.

You have signed up for a unique experience. You'll be on Asheville Regional Airport's airfield – where planes will be taking off and landing right beside the 5K race and event site. So cool!

Important info about shuttles. To make this event happen in this restricted aviation area, we must shuttle ALL participants to and from the site. And shuttling is going to take time! – several hours on the front end (before the event), and several hours after the event. **It will be worth it!** This is a fun experience (the 5K is just one part of the experience) –we have things for you to do at the event before and after the race!

We ask you to PLEASE ARRIVE AS EARLY AS YOU CAN to catch a shuttle to the event site – shuttles begin operating at 11am at WNC Ag Center Gate 7 (1301 Fanning Bridge Rd, Fletcher, NC 28732). We have 1,000 racers (and others who may come with racers) to shuttle to the event site. **Note* Racers have priority on shuttles, and there is one accessible shuttle for wheelchair users and those with strollers.*
