

2026 AVL RUNWAY 5K REGISTRATION OPENS JUNE 1

Mark your calendar!

Imagine running alongside a plane and feeling the roar of the engines as it quickly gains speed and lifts off the ground. If this sounds exciting to you then sign up for the 2026 AVL Runway 5K. Our race is the most unique 5K in the mountains — it's completely FLAT — and on AVL's airfield! Racers will run on Taxiway Bravo, beside our active Runway 17-35 and new Air Traffic Control Tower. All attendees will have a front row seat to the action in the festival area.

Save the date and sign up quickly because this race will sell out! Join us for a day of fun as we plane spot, listen to music, eat good food and come together as a community to support deserving local nonprofits and aviation education, including: [WNC Pilots Association Educational Foundation](#), [AB Tech Aviation Scholarship Fund](#) and [Big Brothers Big Sisters WNC](#).

NEW RENTAL CAR FACILITY NOW OPEN

Another exciting AVL Forward milestone

AVL opened the new rental car facility on May 20 as part of the AVL Forward project. This new facility is directly next to baggage claim and will help to enhance the rental car experience for travelers. This spacious facility holds the rental car counters and is located near the rental car pickup area. Visit flyavl.com/AVLForward to learn more about the AVL Forward project.
