

## TSA PRECHECK

*Mobile enrollment event at AVL April 15-18*

The Identigo TSA PreCheck mobile enrollment truck is coming to AVL **April 15-18**, and appointments are available! This event will take place at the **mobile enrollment truck** located in the **Cell Phone Lot**. The event hours are **9am-12pm** and **1pm-5pm**.

TSA PreCheck® is an expedited screening program that enables identified low-risk air travelers to enjoy a smart and efficient screening experience. For TSA PreCheck® travelers, there is no need to remove shoes, 3-1-1 liquids, laptops, light outerwear or belts.

## PARKING AT AVL

*Make your plan before you leave your house*

**AVL has implemented several enhancements to our parking services - have you heard?**

You can now **view live parking lot statuses on the website** so you can make a plan about where to park before you head to the airport. Another great development is a **parking guidance system** in the garage. Green and red overhead lights quickly indicate where free spaces are located, so you don't have to spend time searching. There is also a sign at the garage entrance that indicates the number of spaces available on each level.

We also now have **five parking shuttles** running continuously to all of our open lots. And, of course, the Shuttle Lot South (located across from the Ag Center on Highway 280) is open and provides 500 spaces.

**What happens when the main lots are full?** We will open overflow lots A, B, and C as needed. In this event, watch for signage and be sure to take a look at our parking map. It's now easier than ever to make a parking plan for your trip to AVL.

## AVL FORWARD UPDATE

### STELLAR ACCOMPLISHMENTS THIS MONTH

There have been some exciting developments on the new north concourse over the past month:

- You've most likely seen the **steel frame of the new north concourse**. The contractor has finished the steel installation and concrete slab decking.
- There is also **work progressing on the new ticket lobby and temporary checkpoint** (which is another part of phase 1). The underground utilities and foundations for these areas are steadily progressing.
- The **steel erection for the new ticket lobby and temporary checkpoint** will begin soon. Also, starting in May, the south baggage claim expansion will begin.

The new north concourse will be here sooner than you think. It is set to open in the summer of 2025 and will be a significant milestone on our journey to a brand-new passenger terminal.

**PACKING FOR YOUR NEXT TRIP?**

Navigate TSA screening like a pro

If you've never flown before, or if it's been a long time since you've flown, going through TSA security can seem intimidating. However, you can make going through security a breeze with some simple preparation and basic research. Check out this article for tips about things like IDs, the liquids policy, packing a carry-on, going through screening and more.
